## GIFTED AND TALENTED SECONDARY SELECTIVE ENTRANCE PROGRAMS

Children with exceptional academic ability and creative talent thrive in our Gifted and Talented Programs. These unique academic, arts and languages programs provide a challenging curriculum designed to bring out the very best in your child.

Available at 18 select public secondary schools, including a fully selective academic school and an arts college, your child will learn alongside like-minded peers and will be taught by teachers with expert skills and knowledge.

### Tarrant, Year 9 student Shenton College

*"I enjoy being in the Gifted and Talented Program because I have the chance to approach big ideas with an open mindset that extends and challenges my perspective on the world. I feel this is helping me to prepare for life beyond school as I discover more about the world and my place in it."*
