PRIMARY FOCUS 2011

The enclosed **Primary Focus 2011** Fiction and Nonfiction annotated lists and order forms have been produced to assist your school with the selection and purchase of materials for your school library. Would you please pass on one copy of each list, the order forms and accompanying information to your Resource Teacher and/or Library Officer. The second copies are for circulation to other teaching staff so that they may also suggest items for purchasing.

The lists contain information about recommended curriculum resources for primary school libraries. All items are recent publications and have been appraised by teachers in schools or by District or Central Office staff.

A bulk purchasing service that provides a greater than normal discount is also offered to schools. Order forms for this purchasing service, which is outlined on the accompanying information sheets, should be returned to CMIS Evaluation by 8 July 2011.

A display of the resources will be hosted in sixteen centres over the next six months and all schools are welcome to attend. The accompanying display itinerary poster is to enable staff to plan to attend the display.

Primary Focus 2011 is also available in the CMIS Resource Bank:
