Health Studies Resources

This list of resources was prepared by officers from the Syllabus Development and Resources Directorate (Curriculum Materials Information Services) in the Department of Education and Training. The list is presented in two parts:

Part One: Books, Videos, DVDs, computer software, Electronic Documents

Part Two: Websites

Further details of each item can be found online on the CMIS Resource Bank, which is an online database. **WACE Health Studies Course** webpage at

www.det.wa.edu.au/education/cmisis/eval/curriculum/courses/healthstudies

In this database all of the Health Studies resources have also been linked to specific content or outcomes and can be accessed under these headings. The webpage also contains a list of Suppliers, Key Documents and Key Websites for quick access.
