MEDIA PRODUCTION AND ANALYSIS COURSE OF STUDY

RESOURCES

This list of resources was prepared by officers from the Early Years, K-10 Academic Standards and Support Directorate in the Department of Education and Training. The list is presented in two parts:

Part One: Books, Videos, DVDs, computer software

Part Two: Websites

Further details of each item can be found online on the CMIS Resource Bank. Links to this have been made from the Media Production and Analysis Course of Study webpage at www.eddept.wa.edu.au/cmisis/eval/curriculum/courses/media/

In this database all of the Media Production and Analysis resources have also been linked to specific content or outcomes and can be accessed under these headings. The webpage also contains a list of Key Documents and Key Websites for quick access.

PART TWO

4 minute wonders Australia [website].
