# Student Medical Details

Two new fields have been added to the Medical tab of the Student Details window. These allow the expiry dates for the Medicare Number and Health Care Card to be recorded.

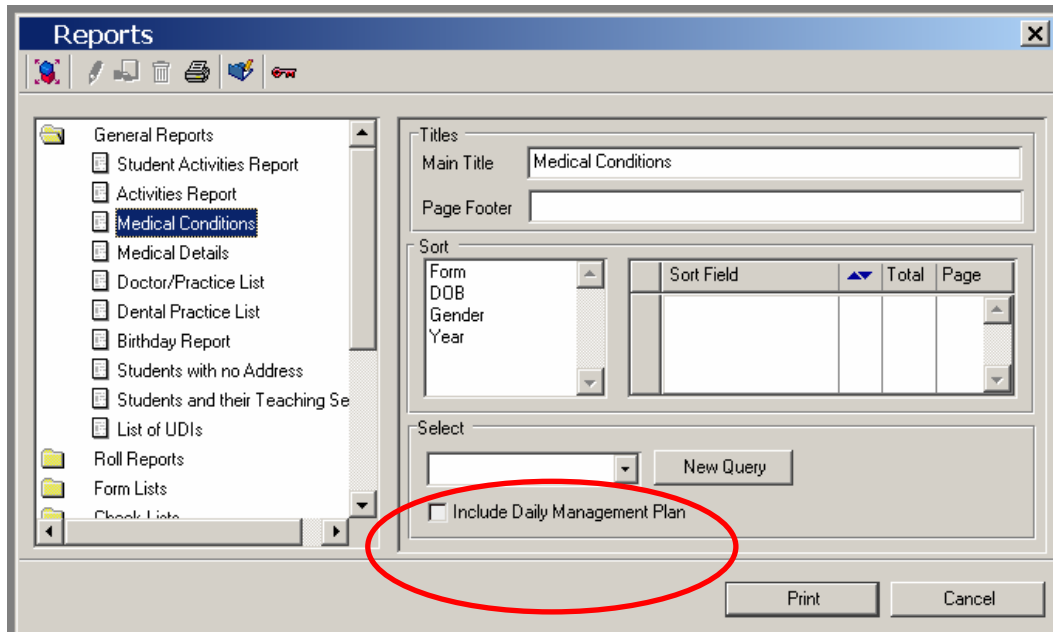

## Medical Tab

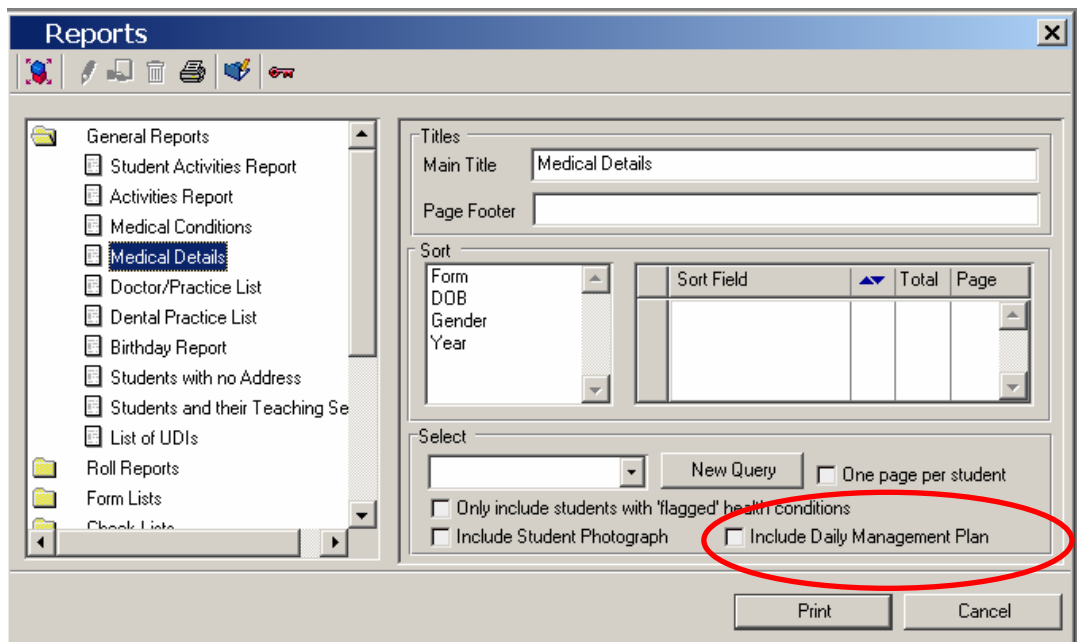

In addition, SHCS and SP's tab and Medical Details tab have been swapped, so that the SHCS and SP's tab is opened first.

# Medical Reports

The Medical Details report and Medical Conditions report have been modified to allow the inclusion of Daily Management Plan information.

## Medical Conditions Report

## Medical Details Report

An Include Daily Management Plan checkbox is available on both reports, and ticking this box will cause the Daily Management Plan for each medical condition to be included on the report.

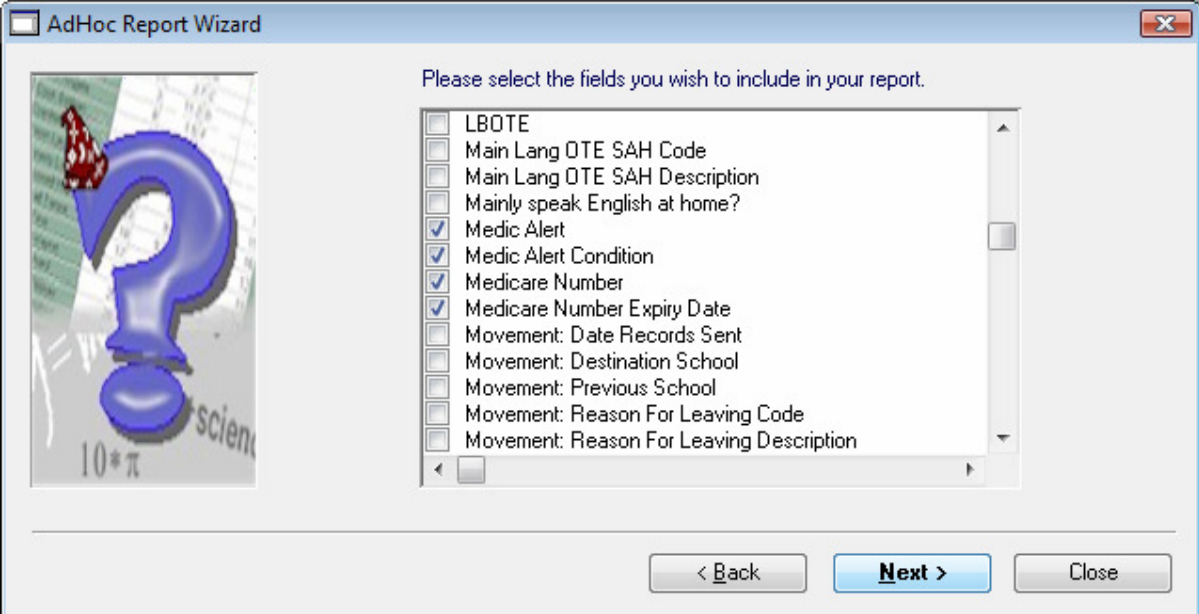

## Student Update Form

The Student Update Form reports generated from both the Admin and WA Reports modules have been extended to include the following fields from the Medical section:

- Ambulance Cover
- Medic Alert
- Medic Alert Condition
- Medicare Number
- Health Care Card

## Ad-Hoc Reporting

A number of new medical fields have been made available to Ad-Hoc Reporting.

**Staff Details Window**

A new field for Active External Exam Supervisor has also been added to this window. It will only appear and can only be entered for External Roll staff members.

When adding External Roll staff members, you must supply a Title, First Name and Surname. The other fields are not mandatory for External Roll staff.

If an External Roll staff member is no longer required or is entered in error, you are able to delete this staff record by using the Delete button on the Staff Browse toolbar. This replaces the facility to move staff members between rolls which is available for Current and Former Roll staff.

When you use the Staff Find window to search for External Roll staff, you now have the ability to search on the Active External Exam Supervisor field. This is provided on the Other tab, as shown in the following screenshot.

The screenshot shows a window titled "Staff Search - Extended Mode" with a toolbar containing icons for home, save, delete, and print. Below the toolbar are tabs for "General", "Parameters", "Dates", "Address", "Other", and "UDI". The "Other" tab is selected, displaying search criteria for "Medical Condition", "Qualifications/Skills", "Group", and "Car Registration", each with a dropdown menu showing "--n/s--". Below these is a radio button group for "Active External Exam Supervisor" with three options: "Active External Exam Supervisor", "Not an Active External Exam Supervisor", and "Either" (which is selected). At the bottom right are "Find" and "Close" buttons.
