KEY

	Start of term and end of term		School holidays (students)
	Term		School administrators at school
	Public Holiday		Student free day (school development day)

There are six school development days, four of which are on set days across all public schools.

Schools may use the school development days at the conclusion of Term 4 (Thursday, 15 December 2011 and Friday, 16 December 2011), flexibly. Teachers should confirm arrangements for these school development days with their school.

Independent Public Schools have the flexibility to schedule all six school development days in negotiation with their School Boards. These schools should be contacted directly for advice on school development days.
